Welcome to Our 30th Anniversary Celebration!

Monthly Bulletin.

Dear Customers, Suppliers, and Staff,

We are thrilled to welcome you to this special edition of De Diego Rental's newsletter, marking the beginning of our 30th anniversary celebration! De Diego Rental has proudly served Puerto Rico for three decades with dedication and excellence, growing into the island's leading construction and industrial equipment provider. Today, we are honored to be recognized as Puerto Rico's #1 choice in service and guarantee—a testament to the trust and loyalty of our valued community.

As we embark on this milestone year, we reaffirm our commitment to Puerto Rico's reconstruction and modernization. By offering the sales and rental of top-of-the-line and modern equipment, we continue to support the growth and resilience of our island, ensuring that every project is completed with the highest standards of quality and efficiency.

Thank you for being part of the De Diego Rental family. Together, we will continue building a stronger and more prosperous Puerto Rico.

Here's to the next 30 years of success!

Warm regards,

Herbert Soto
 President and Founder

De Diego Rental Celebrates 30 Years of Construction and Industrial Equipment Excellence!

This year, we proudly celebrate a remarkable milestone of 30 years of serving the Puerto Rico construction and industrial sectors with top-quality equipment and unparalleled service. Over the past three decades, De Diego Rental has become a trusted name in the industry thanks to the loyalty and support of our valued clients and partners. Your trust has been the cornerstone of our success, and we look forward to continuing this journey with you.

In celebration of our 30th anniversary, we are excited to announce our participation in the AGC PR Annual Convention 2024, which will take place from **September 4 to the 8th at the iconic El Conquistador Hotel**. We invite all our clients and friends to visit us at booths 4 and 5 during the convention. This event is a fantastic opportunity to connect with industry leaders, explore the latest in construction and industrial equipment, and celebrate our shared achievements.

We look forward to welcoming you to our booth and celebrating this special occasion. Thank you for 30 incredible years—here's to many more!

See you at AGC PR 2024!

4-8 SEP. 2024

A Heartfelt Thank You to Our Valued Suppliers

As we celebrate 30 years of success, we sincerely thank our esteemed suppliers **JLG, Wacker Neuson, Koshin, Abbott, Chicago Pneumatic, Diamond Vantage, EDCO, APT, Northrock, Mi-T-M and Makinex**. Your unwavering support and partnership have been instrumental in our journey, helping us deliver top-quality products and services to our clients.

Thanks to you, De Diego Rental has become Puerto Rico's #1 choice for customer satisfaction and guaranteed service. We are honored to have you by our side as we continue to grow and serve our community.

Here's to many more years of success together!

Here's a brief description for each of the suppliers mentioned

JLG Industries is a leading global manufacturer of lift and access equipment, including aerial work platforms, telehandlers, and boom lifts. They are known for their innovation and commitment to safety, providing top-of-the-line equipment that helps workers confidently reach new heights.

WACKER NEUSON
all it takes!

Wacker Neuson is a global leader in construction equipment and compact machinery. Their product range includes compact excavators, wheel loaders, and construction site heaters, all designed for durability and efficiency in harsh job site conditions.

Koshin is a renowned manufacturer of high-quality water pumps and generators. Their products are recognized for their reliability and performance, making them a trusted choice in various industries, including construction and agriculture.

Abbott specializes in providing top-quality construction and industrial equipment, including concrete finishing tools, power trowels, and more. It is known for its robust products, which meet the rigorous demands of job sites.

Chicago Pneumatic is a global provider of industrial tools and construction equipment, including compressors, generators, and power tools. It is known for its high-performance products, which offer durability and efficiency for heavy-duty tasks.

Mi-T-M Corporation is a leading manufacturer of high-quality industrial equipment, including pressure washers, air compressors, and water treatment systems. Their products are built to handle the toughest jobs with unmatched performance and reliability.

Northrock Industries is a premier manufacturer of concrete vibrators, screeds, and power tools designed for the construction industry. Their equipment is engineered for durability and efficiency, ensuring superior performance on the job site.

APT is a leading manufacturer of pneumatic tools and equipment, including breakers, drills, and compactors. It is known for its robust, high-quality products, which are essential for demanding construction and demolition tasks.

Diamond Vantage is a leading manufacturer of diamond tools and equipment, including saw blades, core bits, and cutting machines. Their products are designed for precision and durability, making them a top choice for cutting and drilling applications.

EDCO is a leading manufacturer of surface preparation and concrete finishing equipment, including grinders, scarifiers, and saws. Their products are designed to help contractors work efficiently and achieve professional results.

Makinex is an innovative company that designs and manufactures a range of products for the construction industry, including compact loaders, power generators, and lifting equipment. Their solutions are engineered to improve productivity and reduce manual handling on job sites.

Career Opportunities at De Diego Rental

As we continue to grow and expand, we are excited to announce new job opportunities within our team. We want to hear from you if you are enthusiastic, motivated, and ready to join a leading company in Puerto Rico!

We are currently seeking candidates for the following positions:
